Cocoa Cream Explosion 60g

The bite is a real explosion of filling, the touch is rough, the sugary aroma, the visual love at first sight and the ear perceives its crunch at once, pleasure for the five senses. Puff pastry in a dumpling format, filled with chocolate with a touch of milk (32%) and covered with a generous layer of sugar. The result after baking? Crunchy and delicious explosion with caramelized sugar on its surface that can be eaten without blinking.
