

REF. 130664

Mediterranean Cristal Bread 80g

A tasty, light premium bread with a combination of surprising textures: it has a crunchy crust and a fluffy, aerated crumb. It's notable for its marked Mediterranean flavour since it contains 6% olive oil and 9% sourdough. This format is one of the most versatile since it allows you to make anything from original square burgers to sandwiches and toast and it can accompany the most gourmet set menus.
