

REF. 130197

Pan de Pueblo 550g

Elaborado en nuestro horno de piedra, de miga esponjosa y suela plana. Un pan con el sabor del mejor pan de antaño.

|                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |                                                                                   |
