

REF. 130957

Bacon & Cheese Napolitana 120g

SPECIAL FLAVOR

We present you with a new juicy and flavorful option. Our Napolitana now has extra power: filled with a huge slice of bacon cold cuts surrounding a delicious, melted cheese.

We decorate its entire surface with toasted corn semolina making each bite into a crunchy one, which makes it special.

DOUGH

The filling is accompanied by a puff pastry made with margarine and painted with egg.
