Spinach and Cheese Puff Pastry Pie 120g

THE MOST VEGGIE OPTION!

ENRICHED DOUGH. Its light, crispy dough flakes into thin layers when bitten, creating a unique experience with every bite. It's made with margarine and enriched with egg and milk.

THE MOST VEGGIE FILLING. Combines the softness of chopped fried spinach(23%) with the creamy texture of cheese (13%).

It comes pre-brushed with egg, and its distinctive touch is the decoration with sesame and brown flax seeds.
