100% Wholemeal Mini Soft Roll RtS 50g

This bread expands the Tiernecito range with a 100% wholemeal version that maintains its main characteristic: very soft, tender and fluffy breads.

Made with wholemeal flour, it offers a soft, airy crumb and a very thin crust that makes it easy to eat. Its individual format and “thaw and serve” preparation make it a practical and convenient option for everyday use.

It is a bread that responds to the demand for wholemeal products, combining trend and pleasant texture, ideal both for daily consumption and for completing the bread roll offering in bakeries, supermarkets and foodservice.
