Long Hoops 85g

This sweet roll stands out for its sugar-coated finish, which enhances its flavour and reinforces its visual appeal. Its elongated shape and traditional appearance make it an ideal base for creating customised sweet treats, while its dough remains soft and tender throughout the day, ensuring an enjoyable eating experience.

Its thaw-and-serve convenience makes it easy to create attractive, personalised offerings with spreads, pistachio cream, chocolate, fresh fruit, cheesecake, crunchy toppings or seasonal combinations.

A versatile option that brings creativity, differentiation and added value to breakfast, brunch, afternoon snacking and impulse-purchase occasions.
